

3 MRLC'S

Multi-Region Leadership Conference

Network with ASCE leaders from your region along with other leaders from Technical Regions, Younger Members and Student Members.

MRLC's provide a basic introduction to ASCE leadership by delivering an overview of ASCE programs and a greater concentration on leadership training. Joint Sessions and networking are scheduled among WSBL, YMC and Student Chapters.

LTC

LEADER TRAINING COMMITTEE

PGF 1

Presidents and Governors Forum

Network with ASCE leaders and staff along with other section and branch leaders from across the country and the world.

The PGF gives incoming Presidents and Governors the resources and training needed to successfully implement programs and serve their constituents. The purpose of this leadership Forum is meant to help incoming Presidents formulate obtainable goals and set a plan for successful implementation.
