

**STEVEN G. HAKES, P.E., M.ASCE
REGION 7 GOVERNOR**

BIOGRAPHICAL STATEMENT

Steve has 12 years' experience in the design and management of bridge and transportation projects. His experience includes highway, heavy rail, and pedestrian bridges as well as ancillary transportation structures, structural inspections and ratings. Steve brings a people focused approach to engineering and works closely with clients, contractors and colleagues to deliver quality projects. He is bringing the same focused approach to his service as a Governor, making sure we have the right people and resources in place for ASCE's continued success within Region 7.
