

**REQUEST FOR BOARD OF DIRECTION ACTION
for meeting on July 28-29, 2017**

Topic:	Student Dues
Background:	ASCE charged dues for student membership for many years until the policy was changed to zero dues in 2001. The Board has tasked the Committee on Student Members to prepare a Student Dues Analysis which will be presented at the July meeting.
Issues:	Considering ASCE's financial situation, the Program & Finance Committee (PFC) discussed the possibility of charging student members \$20 dues per year. The PFC concluded that these dues would bring in needed revenue and not negatively impact student membership over time.
Organizational Entities Impacted:	All ASCE, plus student members.
Budget Impact:	As of May 31, 2017, ASCE had 27,000 domestic and 17,000 international student members. If all domestic members paid, dues collected would be \$540,000. We would expect somewhat less as some members would not pay.
Action Requested:	The PFC asks the Board to approve a Rules amendment to charge ASCE student members annual dues of \$20.
