

Government Relations Resources

This Week in Washington

Keep up to date on current federal and state legislative action and other Government Relations resources and events. This quick-to-read newsletter is published every Friday. Subscribe today in your membership communication preferences!

Key Alerts

A one-stop grassroots shop curated by ASCE, contact your elected officials on key issues affecting the civil engineering profession at <https://voterveice.net/ASCE/home>. Have a specific state or local grassroots issue? Contact govwash@asce.org to set up a custom alert.

ResilienceToolkit

ASCE Government Relations released Pathways to Resilient Communities: Infrastructure designed for the environmental hazards in your regions. Advocate to implement the latest standards: <https://www.asce.org/-/media/asce-images-and-files/advocacy/documents/pathways-to-resilient-communities-asce-toolkit.pdf>.

State Legislative Tracking

Learn about the latest infrastructure and professional practice policy trends for your state at <https://www.asce.org/advocacy/state-legislative-tracking>.

Government & Public Relations University

Request a training workshop for state or local ASCE leaders in government and public relations activities at <https://www.asce.org/advocacy/pr-and-gr-universities>.

Social Media

Follow ASCE Government Relations to stay on top of featured media stories on current state and federal policy on Twitter (<https://twitter.com/ascegovrel>) and Facebook (<https://www.facebook.com/ASCEGovRel>).

Testimony, Talking Points, & Issue Briefs

ASCE Government Relations staff can help you prepare for meetings with elected officials, testimonies, materials for state legislative days, and presentations or speaking with members of the media. Contact govwash@asce.org to learn more.

IIJA Implementation

Resource Center

Track the latest from the Infrastructure Investment and Jobs Act, such as a list of open grant applications, opportunities to weigh in on implementation, and a schedule of upcoming funding distribution cycles. The password to access the internal pages is 'raisethegrades'.

Infrastructure Report Card Blog

Keep up with the latest in US infrastructure news and read helpful explainers from ASCE lobbyists on key legislation at <https://infrastructurereportcard.org/news-insights/blog/>

State Government Relations Manual

An easy-to-read manual on how to create and successfully run a state government relations program at <https://www.asce.org/-/media/asce-images-and-files/advocacy/documents/state-government-relations-manual.pdf>.

Visit ASCE on the web at: <https://www.asce.org/advocacy>.

Contact the ASCE Government Relations Team at govwash@asce.org.
