

2022 OUTSTANDING SECTION / BRANCH AWARD NOMINATION FORM

INSTRUCTIONS

- An event/activity may only be used once and cannot be repeated throughout the application. Please select the most appropriate category. There are potential negative points for an event/activity that is repeated.
- Sections should NOT include activities completed by their Branches and Branches should NOT include activities completed by their Section.
- Applications are limited to 12 pages plus a copy of one newsletter.
- Point totals are listed under each category for a maximum of 125 points.
- Only list activities from October 1 – September 30 which can be either virtual or in-person.
- Please e-mail an electronic PDF file to Nancy Berson at ASCE: nberson@asce.org by **October 30, 2022**.

BASIC INFORMATION

Award Classification (check one):	☒ Very Large Section/Branch (> 4000 members) ☐ Large Section/Branch (1501-4000 members) ☐ Medium Section/Branch (501-1500 members) ☐ Small Section/Branch (< 501 members)
Section/Branch Nominee:	Texas Section
Name and Board Position of Contact Member:	Patrick M. Beecher, PE, M.ASCE 2022 Texas Section President
ASCE Member ID:	316090
Address:	5511 Parkcrest Drive Austin, Texas 78731-4938
Telephone:	713-939-6438
E-mail:	patrick.beecher@terracon.com

NOMINATION QUESTIONS/SCORING

125 points maximum

A. COMMUNICATION WITH MEMBERS (15 Points Maximum)

- **Newsletter** (1 point per issue, 5 points maximum):

Please include one electronic newsletter with the Award nomination package or include a link to an active website. The links must be active to receive points for this section. Points will be given for the number of newsletters published either on the website, e-mailed to members or on social media.

Number of Newsletters Published Annually:	The Texas Section published 12 monthly newsletters (TexASCE Advisor) during 2021-2022 along with six bi-monthly magazines (Texas Civil Engineer - TCE).
Newsletter Links (if available):	Sample TexASCE Advisor monthly email newsletters to all Texas Section members: https://myemail.constantcontact.com/How-will-you-get-the-most-from-your-membership-this-month-.html?soid=1130743473443&aid=2hhWkxte58E https://myemail.constantcontact.com/April-Activities-in-your-ASCE-Community.html?soid=1130743473443&aid=fCh90Lfo1Ls Sample TCE monthly publication updates to Texas ASCE members and publication subscribers: https://myemail.constantcontact.com/Carbon-fiber-rehabilitation---Early-Texas-pioneer-bridge--TexASCE-President-message--and-more-.html?soid=1130743473443&aid=EQNbqQpmihY https://myemail.constantcontact.com/The-Future--A-Unified-Community--President-s-Message--and-Building-a-State-Park.html?soid=1130743473443&aid=UBCKgP0684E

- **Website** (5 points maximum):

Verify that all links are active prior to submission.

Website Link:	https://www.texasce.org
Discuss the content included on your website:	• Section Guiding, Planning, and Leaders • Event info and Photo archives • Student and Younger Member info • Education, Webinars, Publications, and Resources • Volunteer and Award opportunities • <i>Texas Civil Engineer</i> digital magazine • Links to affiliated organizations: Branches and Foundation • State-level Government Affairs opportunities Texas Section's website provides users with easy access to helpful profession and membership related information and highlights the Section's primary programs. On the main homepage, users are immediately presented with the Section's mission statement. Just below the fold, the website's primary menu highlights Programs, News, Career Center, and Resources; it also provides a button for easy access to join/renew membership. The website footer provides quick access to society-level information, the Section's guidance &

	governance documents and contact information for questions or additional assistance. The Texas Section's website also directs interested parties to the website of the Section's flagship annual conference, Texas Civil Engineering Conference (CECON) at www.TexasCECON.org , and other popular Section programs with dedicated landing pages, like the Texas Infrastructure Report Card, the annual Student Symposium, webinars, leadership & volunteer opportunities, and annual award recognitions.
--	--

- **Social Media Tools (5 points maximum):**

Provide screenshots in a separate document how you communicate with members on social media. The judges may ask you to give them access to your group/page to review if they are not public.

Discuss all active Social Media platforms and their title used to communicate with your Section/Branch	 Texas Section ASCE  @TexASCETweets  @asce_texassection  ASCE - Texas Section YouTube: ASCE Texas Section Flickr: Texas Section American Society of Civil Engineers The Texas Section maintains an active presence on LinkedIn, Twitter, YouTube, Facebook, and Instagram. Each of these social media channels presents an opportunity to connect with current and prospective members and share exciting news and announcements. In addition, the Texas Section maintains a Flickr account to house event and historical & member/Branch activity photos.
--	---

B. PROFESSIONAL / LEADERSHIP ACTIVITIES, AWARDS / RECOGNITION, SCHOLARSHIPS AND MENTORING (20 Points Maximum)

- **Professional / Leadership (Non-Technical) Activities (5 points maximum):**

Professional / Leadership (Non-Technical) Committee Meetings (1 point each, 2 points max)

Professional Committee:	Number of Meetings:	Presentation Topic(s):
History & Heritage	3	The five (5) person committee met virtually throughout the year to discuss activities as needed, such as requests for articles, provided biographies of notable engineers (external request), participated in discussions to improve the national website.
Texas Section Younger Member Committee	5	The Younger Member Committee held multiple planning meetings to coordinate in-person and virtual activities. Planning meetings covered preparations for ASCE Texas Section awards Gala at CECON, a camping trip, and the networking shuffle.

Professional / Leadership (Non-Technical) Seminars (1 point each, 3 points max)

Date:	Approx. Attendees:	Presentation Topics / Describe Seminar:
9/15/22	100+	Pursuing Elite featuring Clint Bruce from Team Never Quit (former NFL football player and Navy SEAL). Motivational speech on striving to achieve greatness and meaning in life.
7/23/22	40+	Personal Leadership Effectiveness and Ethical and Influential Leadership by David Spivey, Senior Partner with Leadership Associates Consulting Group. How to develop effective leadership behaviors to build trust and strengthen your ability to

		lead individuals.
9/15/22	350	Engineer Ethics Jeopardy at Texas Civil Engineering Conference (CECON) 2022 by Andrew Hunt PE with Project Control.

- Awards/Recognition (1 point each, 5 points maximum):

Awards Given by the Section/Branch

Name of Award:	Recipient:	Describe:
Government Civil Engineer Award	Sarah N. Alvarez	This award is conferred upon a subscribing member of the Texas Section employed by a governmental organization. It recognizes meritorious service to the Texas Section and to one or more of our Branches. It is presented to members who have established their careers in public service and who have been active in their professional society.
Professional Services to Students Award	Justin De La Rosa	This award is conferred upon a subscribing member of the Texas Section for meritorious service to the Texas Section through service to one or more of the ASCE Student Chapters in Texas and/or service during the Regional Student Conference.
Service to People Award	Sharon Hamilton	The Service to People Award is presented to a civil engineer, not necessarily a member of the Texas Section, who has distinguished themselves with special service to people. The award recognizes civil engineers who bring credit to their profession through community activities which are visible to the public.
Award of Honor	Geoffrey Roberts	This award is conferred on a limited number of subscribing members of the Texas Section for outstanding professional achievement in civil engineering, and for meritorious service to ASCE and the Texas Section.

Society Awards Received by the Section / Branch or its members

Name of Award:	Recipient:	Describe:
Daniel W. Halpin Award for Scholarship in Construction	Dr. Kacey Faust	The Daniel W. Halpin Award for Scholarship in Construction was established by ASCE in 2011 and recognizes individuals for scholarly contributions made in the field of community resiliency, human-infrastructure interactions, and socially sustainable water and sanitation infrastructure.
2022 Francis C. Turner Award	Dr. Eyad Masad	This award was established by the Transportation & Development Institute and is presented to an individual based on their contributions to the advancement of the knowledge and practice of transportation engineering. This award was instituted by ASCE in 1988.
2021 ASCE Outstanding Section & Branch Award – Very Large	ASCE Texas Section	The purpose of this award is to promote activity and program excellence among the Sections and Branches of the American Society of Civil Engineers. This award was formally instituted by the Society in 1993.

- Scholarships (5 points maximum):

Scholarships to High School Students (1 point each)

Name of Scholarship:	Amount of Scholarship:	Describe:
TAME State	\$500	The Texas Section STEM Committee supports the

STEM Competition Program Scholarship		Annual Texas Alliance for Minorities in Engineering (TAME) State STEM Competition. The competition brings together thousands of high-performing middle and high school students from across the state to test their STEM skills through collaborative engineering challenges and individual timed tests.
--------------------------------------	--	--

Scholarships to College Students (1 point each)

Name of Scholarship:	Amount of Scholarship:	Describe:
John B. Hawley Memorial Fellowship (1)	\$5,000	Fellowships are awarded for graduate study and research in hydraulic and environmental engineering. This fellowship was initiated in 1961.
John B. Hawley Memorial Fellowship (2)	\$5,000	
John B. Hawley Memorial Fellowship (3)	\$5,000	
J. Walter Porter Memorial Fellowship	\$5,000	Fellowships are awarded for graduate study and/or research in water resources engineering to individuals who demonstrate outstanding ability and promise of excellence in engineering. This fellowship was initiated in 1978.
Keith McBride Spirit of Competition Award	\$500	This award is given in honor of ASCE member and enthusiastic Concrete Canoe competition judge, Keith McBride, who died suddenly after a competition. This award is given to the ASCE Texas Section Student Chapter that most embodies enthusiasm, perseverance, and joy in competing at the Student Symposium. The Texas Section budgeted \$500 for this award in 2021-2022.

• Mentoring Activities of ASCE Members (5 points maximum):

Date:	Approx. Attendees:	Describe:
8/12 – 8/14/22	40 total, 6 Texas Section Members	Texas Section President Elect - Travis Attanasio, incoming President-Elect - Kimberly Cornett, Younger Member Chair - Joe Alvarez, Event Co-Chair - Austin Messerli, Executive Director - Jenni Peters, and Past Executive Director - Lindsay O'Leary, attended the annual Central Region Younger Member Council meeting in Austin. They shared their experiencing working in the civil engineering industry and how ASCE has benefited them.
Bi-monthly	15 to 25	Texas Section President Patrick Beecher held bi-monthly teleconferences with Section Directors and Branch Presidents to exchange ideas and best practices.
Quarterly	4	The Texas Section Younger Member Committee hosts the Networking Shuffle where a younger member is paired with one of their fellow ASCE Texas members to virtually meet, chat and get to know one another. It's a simple, but powerful way to bring people together and create new connections. This program aims to foster better connectivity and new relationships between our various ASCE Texas branches.
4/26/22	20+	Ethics Seminar led by a Texas Board of Professional Engineers and Surveyors investigator.
2/8/22	50+	Professional Communications for Engineers - "Persuasion

		Secrets for Business Development, Communication and Life” by Dacia Coffey, CEO of The Marketing Blender.
--	--	--

C. TECHNICAL COMMITTEES / INSTITUTE CHAPTERS AND ACTIVITIES (15 Points Maximum)

Section/Branch Technical Committees or Institute Chapters (minimum of 2 technical or virtual meetings per year; 1 point each, 5 points max)

Technical Committee:	Number of Meetings:	Presentation Topic(s):
All Texas-level and Branch-level Institutes in Texas	9	The Texas Section VP for Technical Affairs Team hosts a monthly (for the most part) group call with the Institute Chapter Chairs in Texas. The goal of these calls is to give them a platform to learn from each other and use resources/examples from other chapters to help with programming/activities. Average attendance is around 7 people per call.
Texas UESI	4	Texas UESI meets on a quarterly basis including one of those being a full-day conference. Their conference in September 2022 (part of CECON 2022) included topics about TxDOT Survey Standards, Drone usage, ASCE 38 update and more.
Texas Section VP, Technical with G-I and UESI Institute Chapters	2	Negotiated with the Texas Section G-I and UESI Institute Chapters to hold their annual conferences in conjunction with CECON 2022.
Texas Section VP, Technical with SEI and T&DI Institute Chapters	2	Negotiated with the Texas Section SEI & T&DI Institute Chapters to hold their annual meetings in conjunction with CECON for 2023.

Section/Branch Technical Seminars / Courses with PDHs (1 point each, 5 points max)

Date:	Approx. Attendees:	Describe:
Bi-Monthly	Total attendees for all sessions was 1,639.	October – December 2021: Intro to Airport Design, Mega Drainage in Houston, and The Future of Flyash. January to August 2022: Professional Communication for Engineering (three-part series), Strengthening Water Conservation for a Resilient Houston, Ethics, Geotech: Part 1 – Slope Stability, Ditches, Embankments & Detention Ponds, Geotech: Part 2 – Design of Bridge Structures, Engineering Communication for Elected Officials, Geotech: Part 3 – Design & Construction of Roadways, Geotech: Part 4 – Design & Construction of Water and Wastewater Facilities

Other Technical / Educational Activities and Benefits for Section / Branch Members (1 point each, 5 points max)

Describe other technical / educational activities and benefits for Section / Branch members:	Flood Mitigation Advisory Task Committee reviews the Texas Water Development Board's (TWDB) regional flood planning documents and submits comments to the TWDB on behalf of the Texas Section.
	Residential Foundations Task Committee encompasses the three subcommittees listed below. This committee is available to address questions from both the ASCE membership and the public. Revised guidelines were submitted to the Texas Section Board of Direction and adopted in April 2022.
	Residential Foundations Oversight Subcommittee – This group is available to address questions from This committee is available to address questions from both the ASCE membership and the public.

	Revised guidelines were submitted to the Texas Section Board of Direction and adopted in April 2022.
	Foundation Investigation & Design Subcommittee This committee is available to address questions from both the ASCE membership and the public. Revised guidelines were submitted to the Texas Section Board of Direction and adopted in April 2022.
	Evaluate & Repair of Residential Foundations Subcommittee This committee is available to address questions from both the ASCE membership and the public. Revised guidelines were submitted to the Texas Section Board of Direction and adopted in April 2022.

D. MEMBERSHIP (10 Points Maximum)

Describe efforts to involve Student Members in Section/Branch Activities (2 points):	2022 Texas Section President, Patrick Beecher, visited the following Student Chapters during his term as President: - Texas A&M University - Rice University - LeTourneau University - University of Texas at Tyler - University of Texas at San Antonio In these meetings, President Beecher described the benefit he has received from becoming a member of ASCE. In addition, he encouraged the Student Chapters to reach out to the Texas Section office to share information on where graduates are planning to go to work so that their names and emails can be provided to the local Branches.
	The Texas Section Vice President, Technical sponsored 6 students from the University of Houston, University of Texas at Arlington, Texas Southern University, and University of Texas at Tyler – Houston Engineering Center to attend CECON. The sponsorship included covering travel expenses.
Describe Member recruitment programs (2 points):	The Texas Section Membership Committee is formulating a “Corporate Ambassadors” program that would identify an ASCE advocate within Texas Engineering Firms. These individuals would broadcast membership benefits and sign-up information to their employees while also educating the employer on the benefits of having the firm’s employees be involved in ASCE.
	The Texas Section Membership Committee started a “New Member Sweepstakes” for the second half of 2022 to encourage non-members to join. All new members during this time period will be entered into a raffle to win up to \$500.
Describe Member retention programs (2 points):	The TexASCE Advisor is a monthly email newsletter which provides quick access to important dates and deadlines to help members stay engaged in their ASCE community.
	The TCE magazine presents relevant news articles and highlights membership benefits. The TCE also regularly spotlights a current member asking them questions, such as “How has ASCE helped you in your career?” and “What do you love the most about being a civil engineer?”.
Describe any recognition programs for employers supporting ASCE (2 points):	Employers are given the opportunity to sponsor various activities in Texas Section events. Their logos are prominently presented on literature for the event and the employers are also verbally mentioned and thanked during the proceedings.

	The Texas Section ensures that all speakers and volunteers have the name of their company announced and publicized during webinars, technical sessions, and member engagement activities.
Describe other Membership Activities / Events (2 points):	Representatives of the Texas Section had a booth at a Texas Chapter of the American Public Works Association (TxAPWA) to promote membership in ASCE and encourage participation in the Texas Civil Engineering Conference (CECON).
	The Texas Section had a booth at the Corpus Christi Branch Symposium for Engineering and Leadership on 2/22/22 to promote our Beyond Storms report and benefits of being a member of the Texas Section.

E. PUBLIC OUTREACH ACTIVITIES (10 Points Maximum)

Describe outreach activities with elementary, middle, or high schools (1 point each, 5 points max):	2022 President Elect, Travis Attanasio, participated in the City of Burleson 'City Fest' on February 17, 2022 which is an event primarily aimed at elementary and middle school students. Travis showcased what a Civil Engineer does and visually demonstrated why you should "Turn Around Don't Drown" with a working floodplain model.
Describe outreach activities via media outlets (1 point each, 3 points max):	On February 16, 2022, the Texas Section held a virtual press conference announcing the Reliability and Resilience in the Balance report (Beyond Storms formal report) to multiple media outlets (print, TV, and radio).
	On February 8, 2022 President Elect Travis Attanasio conducted an interview with the Associated Press concerning the Dams category in the Texas Infrastructure Report Card. Quotes from the interview were published on May 5, 2022 (https://apnews.com/article/technology-dams-ac3d7561181d622b29983c15de84520b)
Describe other public outreach or educational activities (1 point each, 2 points max):	Texas Section leaders, Mark Boyd, Geoff Roberts, Patricia Frayre, and Patrick Beecher attended and presented at the Corpus Christi Branch Symposium for Engineering and Leadership on 2/22/22. A summary of the Texas Infrastructure Report Card and Beyond Storms Report was presented. Students from Del Mar College, Texas A&M Kingsville, and Texas A&M Corpus Christi were in attendance.

F. COLLEGE OUTREACH ACTIVITIES (20 Points Maximum for entire section) – CHOOSE #1 or #2.

1. Section/Branch has an ASCE Student Chapter(s)

List each Student Chapter and at least one current Practitioner Advisor for each school. Note if you have less than 5 schools in your Section/Branch. (2 points each if five schools or more, 10 points maximum).	There are 21 student chapters across Texas. Each of these has one Faculty Advisor and one Practitioner Advisor. Another 5-8 chapters have a second or even third PA. 1. Lamar University, PA is Mark Mann PE 2. University of Houston, PA is Stephen Hrcir PE 3. UT Arlington, PA is Karyna Uribe EIT 4. UT San Antonio, PA is Craig Quadrato PE 5. UTRGV, PA is Dora Marin-Robles PE
Describe Student Interaction Activities between each ASCE Student Chapters and the	ASCE Texas Section Member Jose Carmona gave a presentation entitled "Engineering Entrepreneur: What Engineering School Didn't Teach Me About Engineering" at

Section/Branch (2 points each, 10 points max):	the Region 6 Student Symposium in April 2022.
	The Texas Section Student Activities Committee met virtually with the University of Houston ASCE Student Chapter to plan the first Region 6 Student Symposium in April 2022.
	The Texas Section Student Activities Committee began planning and coordination meeting with the West Texas A&M University and Texas Tech University for the 2023 Region 6 Student Symposium to be held in Canyon, Texas.
	Aside from regular email/social media communication, the main interaction between the Section and student members is the annual Student Symposium. This event has been growing larger by the year and morphed into a Region 6 event starting in 2022. In total, about 480 students from 25 schools attended the 2022 Region 6 Student Symposium and they had the opportunity to interact with over 100 professionals ranging from sponsor attendees to speakers to judges.
	Student members are encouraged to attend CECON each year and provided with a discounted rate.

2. Section/Branch does not have any ASCE Student Chapter(s)

Describe outreach activities with college students other than those involved with ASCE (5 points each, 20 points max):	
--	--

G. COMMUNITY SERVICE, PUBLIC SERVICE, HISTORY & HERITAGE, SUSTAINABILITY, AND GOVERNMENT RELATIONS (10 Points Maximum)

NOTE: ASCE also awards a History and Heritage Award. If you have such activities and want to be considered for that award, describe those activities here and submit a copy of this application directly to Jennifer Lawrence at jlawrence@asce.org.

Describe public service projects (2 points):	Filed our Beyond Storms report with the Public Utility Commission of Texas. The Texas Section was the only professional organization to do so.
	Texas Section members Geoff Roberts and Silky Wong met with the Chair of the Texas Houston Committee on Energy Resources to discuss the importance of infrastructure funding.
Describe History and Heritage Activities (2 points):	Compilation and donation of photographs taken and information collected by long-time member Vernon Wuensche to the South Texas Archives establishing the Wuensche Collection of civil engineering archives.
	Prepared an article for submission and publication in the TCE entitled "John Wilson, an early Civil Engineer in Texas."
Describe Government Relations activities (2 points):	22 members of the Texas Section attended the Legislative Fly-in in Washington, DC in March 2022.
	The Texas Section Government Affairs Committee met with the Chair of the Texas Winter Storms Task Committee to develop a list of asks for the Texas Legislature from our Beyond Storms report.
Describe Sustainability Seminars held by the Section/Branch promoting the advancement of the principles of sustainable development (2 points):	January 2022 - An Intro to the Envision Sustainable Infrastructure Framework webinar.
	August 2022 – Part One of the Beyond Storms webinar series to review aspects of the report in greater detail on how a lack of focus on reliability and resilience in our electrical grid led to significant failures during Winter Storms Uri and Viola in February 2021.

Describe Community Service events (1 point each, 2 points max):	
---	--

H. DIVERSITY, EQUITY, AND INCLUSION (15 Points Maximum)

ASCE fosters a fully inclusive culture that celebrates individual uniqueness, engenders a sense of belonging, and promotes equitable opportunity for all people to participate as members and stakeholders of the civil engineering community. ASCE's Committee on "Members of Society Advancing an Inclusive Culture" reviews this section to select Outstanding Section/Branches for their efforts in developing and implementing programs that promote an equitable and inclusive climate in the profession.

<u>Inclusive Events</u> - What best practices has your Section/Branch implemented to ensure meetings/events are equitable and inclusive for all prospective participants? (1 point each, 5 points max):	- Made technical webinars free for members so that those members who do not get reimbursed by their employers can attend. - Provided vegetarian/vegan/gluten-free meal options at events for those participants who do not consume meat or suffer from a food allergy. - Make visits to proposed location as part of the screening process when selecting an event location, such as CECON, Student Symposium, etc. to ensure that it is easily accessible and if special accommodations would be needed for handicapped individuals. - Reviewed and revised our Nominations process to add the Senior Director-at-Large to help gain additional perspective in developing a slate of officer candidates that are representative of the membership throughout the state.
<u>Leadership & Engagement</u> - In what ways has the Section/Branch/Group demonstrated a commitment to DEI? (1 point each, 5 points max):	The Texas Section has made the DEI committee a standing committee within our organizational structure.
<u>Inclusive Communications and Training</u> - In what ways does your Section/Branch ensure that communications with and about members and partners are inclusive and asset-based and discuss how you Section/Branch supports DEI related training and programs? (1 point each, 5 points max):	

I. ADDITIONAL SECTION / BRANCH ACTIVITIES (10 Points Maximum)

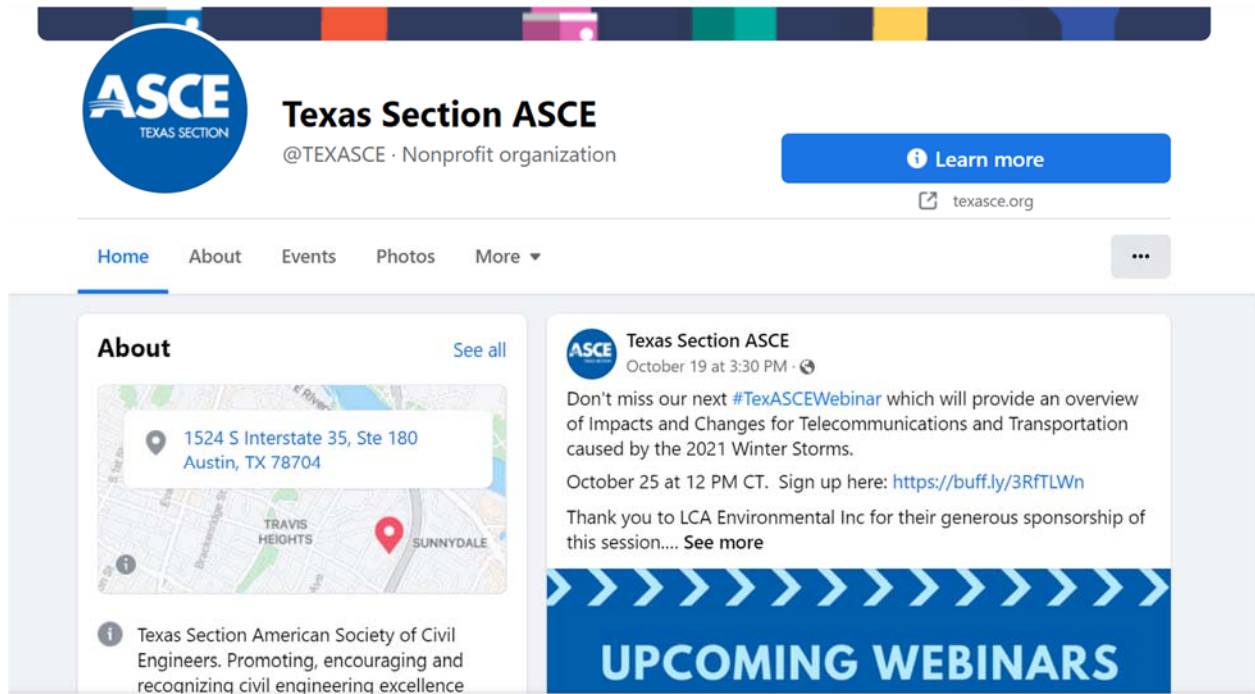

Describe any other non-standard activities that are not covered under other sections of the nomination form that your Section or Branch has undertaken to promote or advance the Civil Engineering profession to either your members or the public. Note that Sections applying for the award should not include their Branch activities and vice versa for Branches. These can include other Community Service projects, hosting of Regional meetings, fundraising, mentoring, and other best practices. Describe the activity and give dates, locations and number in attendance. Also describe any activities relative to the creation of a Section / Branch strategic plan and/or efforts to support the Society's Strategic Initiatives (ie. sustainability efforts). These activities may also be eligible for the Leader Training Committee Best Practices Manual. A maximum of two (2)

points will be given for each of up to five (5) non-standard activities.

Type of Activity/Event/Initiative:	Date (if applicable):	Describe:
History & Heritage	June 5-8, 2022	Presentation by Melinda Luna, Texas Section History & Heritage Committee Chair at the Western Association of State Highway and Transportation Officials (WASHTO) entitled "History of Transportation Innovation". The WASHTO 2022 Annual Conference was held June 5-8, 2022 in Dallas, Texas.
Younger Member Camping Trip	September 2022	Reinstated the annual camping trip with a weekend trip to McKinney Falls State Park outside of Austin, Texas.
Government Affairs Committee		Developed briefing papers to present to standing Texas House and Senate Committees pertaining to IIJA funding, flood mitigation, energy system reliability and resilience, storm surge protection, water infrastructure, transportation infrastructure, and water reuse.
CECON 2022	Planning – December 2021 thru September 2022. Conference held September 14-16, 2022.	The planning committee held monthly virtual meetings to develop programs, identify and solicit sponsors, keynote speakers, and panel discussion topics. Almost 500 people attended CECON 2022.
Nominations Process Review Task Committee	Multiple meetings from March – September 2022	Review our process for soliciting nominations and evaluating candidates. Perform interviews of candidates and provide opportunity to present more than one candidate for each position to the Executive Committee for consideration.
Leadership Development Weekend	July 22-24, 2022	Over 40 Texas Section leaders from across the state attended President-Elect Travis Attanasio's Leadership Development Weekend in order to build and strengthen relationships with other key people within the Texas Section, obtain leadership training, and begin working on supporting Travis' goals for his term as president.
Texas OCEA Award	Bagby Street Improvement Project	Submitted by City of Houston Downtown Redevelopment Authority TIRZ No 3
