Example Song Related to ASCE

Hey, Hi, welcome to Region 9!

We got mountains, we got beaches, we got snow and sunshine.

Our engineers know how to design But do they know how to rhyme?

This is proof that they don't know how to rhyme.

Award Winning Lyrics Group 1

(Performed by Doug Taylor)

My my how the State is so Dry;
Turn off your tap and fix your leaks,
oh my; We all have a part to play,
better infrastructure will save the
day; You can drive your chevy to the
levy and the river won't be dry!

Award Winning Lyrics Group 2

(Performed by Matthew Socha)

Hi, Hi Looking up to the sky;
ASCE has aspirations and so do I;
The opportunities they do fly;
We got water, Transpo, Oh My!;
I have a meeting, sorry, good bye.

Award Winning Lyrics Group 3 (Performed by Alexis Mascarinas)

Hey hi, Thank you to Region 9! We got symposiums and conferences and campfires online.

It's a good time even without beer and wine.

Ken's here, and his leadership is divine Yeah, Ken's here, his leadership's divine!
