Award Criteria

Consideration shall be given to the Engineer that has exhibited professional achievement and has made significant impact to the field of civil engineering. This impact may be through professional activities, ASCE involvement, research and innovative engineering solutions. This award is intended for individuals who are age 35 years or less as of December 1 of the year of the award and a member of ASCE in Region 1.

Awards Ceremony

The selected individual will be recognized during 2026 at the Fall Assembly.

The Award

The award is intended to recognize the efforts of younger civil engineers to further advance the field of civil engineering through innovative concepts, research, and materials.
