

## Region 1 Fall Virtual Assembly Agenda Friday, November 5<sup>th</sup>, 2021

### **ASCE Day!**      **November 5, 2021 – 169<sup>th</sup> Anniversary of ASCE**

*On Nov. 5, 1852, a dozen eminent civil engineers gathered at the Croton Aqueduct in New York City in the office of Chief Engineer Alfred W. Craven to establish the American Society of Civil Engineers and Architects. In 1868, a few years after architects had formed a professional society of their own, ASCE adopted its current name. For the first 144 years of its existence, ASCE maintained its headquarters in New York City, relocating six times to progressively larger facilities. In 1996, ASCE moved to its current global headquarters in Reston, Virginia.*
