19 UNIVERSITIES FOR RECRUITMENT

SUPPORT THE NEXT GENERATION OF ENGINEERS

Civil engineering students from 19 universities in Florida, Georgia, and Puerto Rico will attend the 2022 ASCE Student Conference, hosted by FAMU-FSU College of Engineering in Tallahassee, FL. They will compete in various competitions in the areas of sustainability, construction, environmental, geotechnical, and many others. For example, students will fight for the trophy in the beloved concrete canoe competition.
